ELECTION RESPONSE

COMMISSIONER FOR PATENTS  
ALEXANDRIA, VIRGINIA 22313

SIR:

In response to the election of species requirement of September 29, 2003, Applicants hereby elect species a of Fig. 11. Claims 9-12, 15-17 and 20-24 correspond to this species.

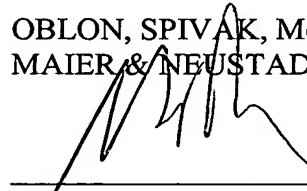

The election is being made with traverse. Any proper search for the elected species will also necessarily require a search through the appropriate classes and subclasses for the other species. It would therefore not constitute a significant additional burden on the Office for the examiner to examine all of the species in the resent application, and o the election of species requirement is believed to be unjustified.

**RECEIVED**  
OCT 30 2003  
GROUP 3600

Favorable and timely consideration of the elected species is required.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAIER & NEUSTADT, P.C.
